Keith is Oxitec's US rep, so I think we should address to Keith.

Thanks Don.

Mike, are we addressing this to Keith or someone one from Oxitec and we just copy Keith?

No, really, that's OK. It's actually helpful for Keith to see that OGC endorses this approach.

Mike, can you provide me the email(s) to the people I need to send this to? I thought it was said, it would not be sent directly to Keith?

Do you two want to be copied?

Mike,

I will send out as soon as Don approves the final version. There was considerable back and forth, so I want to make sure we all on the same page.

Earl

Mike,

After Don finalizes the email, please send me an exact copy of what to send.

I don't want to cut paste the wrong language.
